#### NOTES

The package must combine both accommodation and extras rates. All flights are to be booked through our reservations team for the set departures. For guests joining a Scheduled Departure from elsewhere in Zambia, please contact us to quote accordingly. Bookings outside of the Scheduled Departure days are possible, please contact us to quote accordingly. Flights and the Departure days are timed to ensure ease of access to other safari areas within Zambia, including South Luangwa, Lower Zambezi, Kafue and Livingstone. It also coincides advantageously for incoming and outgoing international flights. In the event of inclement weather, and delayed or postponed departures/arrivals, Ker & Downey Zambia cannot be held responsible for missed nights in camp or missed onward arrangements. Each three-night stay includes the option of an 'Explore all Liuwa' sleep out. A Sleep out night allows for full day explorations of the National Park, finding further away highlights or even following the migration (if on the move). Sleep out nights are highly recommended but are not compulsory. Please note that when the wildebeest herds are in close proximity to the lodge, sleep out nights are not necessary. This is typically from October to April.
